Service Project July 28:

Service Day Description: Philadelphia Regional Summit Service Project, on July 28, will begin with registration check-in at the Haddon Heights Community Center between 1-3:00pm. Attendees are to come between this time for check-in. Buses will leave promptly at 3:20pm for our service project. Please be checked-in and seated on the bus before this departure time.

Our service project will include cemetery clean-up at the historic and archeological site of MT. Peace Cemetery, a New Jersey veteran cemetery.

Following the service, we will load the buses and head back to Haddon Heights Community Center for a meal and networking amongst attendees.

Attire For Service: Please wear long, breathable pants, close-toed shoes, and weather appropriate attire, as we will be outdoors for this service. Each attendee will receive a SVA Regional Summit T-shirt, and we encourage everyone to proudly wear it. Be mindful of bugs, poison ivy/oak, and thorny brush. Do not wear shorts or open-toed shoes for this event.

Note: If you are driving in, you are permitted to leave your personal vehicle at Haddon Heights Community Center as we are conducting the service project offsite.

If you have any further questions about the upcoming Philadelphia Regional Summit Service Project, please contact Mackenzie Marion @mackenzie.marion@studentveterans.org or 330-224-2413.

Comcast Building Check-in:

Please note you will have to go through security at the Comcast Technology Center. You will be asked to present photo ID upon check-in. Be sure to have ample time in case of security check-in lines.

Our space is located at The Market on the 27th floor of the Comcast Technology Center.
